Paris, 8th September, 2010 – **Les Apprentis d’Auteuil**, a charitable organisation that helps troubled young people, has turned to HR Access, a noted authority on HR management solutions and HR outsourcing, to manage HR administration and payroll processing for its workforce of 5,000.

The organisation’s objectives include supporting HR development with a state-of-the-art outsourcing solution allowing it to benefit from the latest in HRIS technology, all the while, optimising costs.

*“To support the significant expansion of our workforce in the past decade as well as ensure efficient data processing, we owed it to ourselves to seek expertise in decentralised business processes and turn to a partner capable of meeting the challenge of implementing reliable, integrated HRIS,”* explains **Olivier Pithois, Outsourcing Project Director, Les Apprentis d’Auteuil**.

A Catholic foundation recognised for its community outreach services, *Les Apprentis d’Auteuil* works to ensure the welfare and protection of youths aged 6 to 21.
