

HR Access reports strong growth outlook at mid-year 2010

Paris, September 9th, 2010 - Multinational HR solutions software publisher and HR outsourcing services provider, HR Access reports a strong first half with an increase in orders of more than 17.5% compared to the first half of 2009. With significant milestones such as the launch of HRa Suite 7.1 in Italy, launch of HRa Suite 7.2 for the public sector in France, SAS 70 outsourcing certification and expansion of partnerships in all regions.

HR Access is consolidating its position as a major ally to HR departments at the international level as well as honing its ability to address companies HR issues and challenges.

This growth stems from sales success achieved with the applications software solution for clients such as Sciences Po in France, Eurafric Information in MEA and migrations to HRa Suite 7 such as Regione Lombardia in Italy, Sanofi Aventis Maroc in MEA and TNT in France. For the outsourcing business HR Access has acquired prestigious new clients such as AG2R - La Mondiale and Apprentis d' Auteuil in France, RACC Automobil Club in Spain.

To better prepare for the future and capitalise on previous accomplishments, HR Access has assembled its teams in regional and divisional units. Franck Boutboul, appointed General Manager Europe, oversees business in European countries. Said Aidi continues to fulfil his mission as General Manager of the Middle East & Africa region. Raouf Mhenni has been appointed Head of Marketing & Product Strategy and will ensure that HR Access maintains its leadership through innovative solutions. Xavier Daguzan has been appointed to oversee management in France. Guillaume Bèque has been appointed Head of HR Europe to support Franck Boutboul.

With this new organisational structure, HR Access is increasing its expansion capacities to better meet the needs of its customers, both at the local and international levels, through full-service offers, both in outsourcing and insourcing.

HR Access international teams are doing their utmost to continue to enhance products and services, anticipating needs to offer the most suitable solution.

Major plans set for the second half of the year include launch of HRa Suite 7 in Switzerland, localisation of the product in Arabic and stepped-up reinforcement of partnerships in the various European countries.

"Whether in terms of product and service enhancement, international expansion or workforce expansion, HR Access' growth in 2010 has been positive. More and more companies are turning to our expertise for advisory and support to overcome their HR challenges, placing their trust in our HR knowledge and ability to provide state-of-the-art solutions suited to their needs. The indicators for the years to come are encouraging" concludes Franck Boutboul, General Manager Europe.
